Dr. Neal H. Petersen
Deputy Historian
Office of the Historian
Department of State

Dear Neal,

I'll enclose copies of the Durenberger-Casey exchange of letters earlier this month. Since Senator Durenberger has released both letters to the press, they are a matter of public record. I'll also attach a report from The Chronicle of Higher Education on this exchange.

I know that the DCI is serious in his commitment to this, and it looks like the History Staff will play a role in selecting records for review.

With all good wishes,

Yours sincerely,

J. Kenneth McDonald
Chief Historian
